

Marinas del Mediterraneo partners with D-Marin taking part of an extensive network of premium marinas

We are delighted to announce the exciting news that we have partnered with D Marin

D-Marin is a leading global marina network with 16 marinas in Eastern Mediterranean and Gulf region. We are dedicated to providing a premium service in marina management and development, offering distinguished experiences to clients and outstanding standards of quality

D-Marin – the selection of premium marinas - was founded in 2003 and is based in Greece. It operates 16 marinas in Greece, Turkey, the United Arab Emirates, Montenegro, Croatia and Italy, totalling almost 10,000 berths and dry dock facilities that can accommodate over 2,000 vessels. D-Marin is dedicated to providing enriching yachting experience to its clients by delivering outstanding standards of quality and the highest level of customer service to its private customers and business partners.

We hope to welcome you to D Marin, where we can enrich yachting experiences and beautiful places.
